Grant of License for Personal Use.** In consideration of and upon receipt of payment of a license fee by you ("User"), Advisor Financial Services, LLC, grants you a non-exclusive, non-transferable license to use the software with which this Agreement is distributed (the "Software"), including any documentation files accompanying the Software ("Documentation"), for internal personal or business use only, for up to the number of users specified at the time of payment. You have the right to make one backup copy of the Software and Documentation solely for archival, back-up or disaster recovery purposes. You agree to maintain full and complete records of the number and location of any such copies of the Software which have been generated, and to reproduce on any such copies, any and all copyright notices and other markings and notices and the Agreement present on the original. You shall not exceed the scope of the license granted hereunder. Any rights not expressly granted by Advisor Financial Services, LLC to you are reserved by Advisor Financial Services, LLC, and all implied licenses are disclaimed.

**2. Ownership.** You have no ownership rights in the Software or Documentation. Rather, you have a license to use the Software and Documentation as long as this Agreement remains in full force and effect. Ownership of the Software, Documentation and all intellectual property rights therein shall remain at all times with Advisor Financial Services, LLC. Any other use of the Software or Documentation by any other person or entity is strictly forbidden and is a violation of this Agreement.

**3. Copyright.** The Software and Documentation contain valuable proprietary material that is protected by United States Copyright Law and trade secret law, and by international treaty provisions. All rights not granted to you herein are expressly reserved by Advisor Financial Services, LLC. **4. Restrictions.** You may not publish, provide, share, display, disclose, sell, rent, lease, modify, store, loan, copy, distribute, email, transmit or create derivative works of the Software or Documentation, or any part thereof. You may not assign, sublicense, convey or otherwise transfer, pledge as security or otherwise encumber the rights and licenses granted hereunder with respect to the Software. You may not copy, reverse engineer, decompile, reverse compile, translate, adapt, modify, decrypt, or disassemble the Software, or any part thereof, nor shall you attempt to create the source code from the object code for the Software. You may not market, co-brand, private label or otherwise permit third parties to link to the Software, or any part thereof. You may not use the Software or Documentation, or any part thereof, in the operation of a service business or for any commercial use or for the benefit of any other person or entity. You may not cause, assist or permit any third party to do any of the foregoing.
